

PREVENTION RELATED WEBSITES

Below is information about organizations that maintain a strong focus on alcohol and other drug (AOD) abuse prevention. This list is not exhaustive and does not necessarily indicate an endorsement by NASADAD.

- [Alcohol Policy Information System \(APIS\)](#) “The Alcohol Policy Information System (APIS) provides detailed information on a wide variety of alcohol-related policies in the United States at both State and Federal levels. Detailed, state-by-state, information is available for the 33 policies listed below. APIS also provides a variety of informational resources of interest to alcohol policy researchers and others involved with alcohol policy issues.”
- [CADCA](#) “Preventing alcohol, tobacco and other drug abuse is no easy task. However, since 1992, CADCA has demonstrated that when all sectors of a community come together —social change happens. CADCA is the premier membership organization representing those working to make their communities safe, healthy and drug-free. We have members in every U.S. state and territory and working in 18 countries around the world. Special programs within CADCA are supporting our returning veterans and their families and training youth leaders to be effective agents of change –all through the coalition model.”
- [Center for the Application of Prevention Technologies](#) “SAMHSA’s Center for the Application of Prevention Technologies (CAPT) is a national substance abuse prevention training and technical assistance (T/TA) system dedicated to strengthening prevention systems and the nation’s behavioral health workforce.”
- [Centers for Disease Control Tobacco Information and Prevention Source Page](#) “The premiere source for tobacco information and prevention, featuring the Smoking and Health Database. The Database covers more than 30 years of information, and is a comprehensive online resource covering the scientific, technical, social science, policy, legal, and historical literature related to smoking and tobacco use. The database contains over 56,000 records and is accessed by researchers, librarians, medical professionals, and the public nationwide.”
- [Center for Substance Abuse Prevention \(CSAP\)](#) “The Center for Substance Abuse Prevention (CSAP) works with federal, state, public, and private organizations to develop comprehensive prevention systems by:
 - Providing national leadership in the development of policies, programs, and services to prevent the onset of illegal drug use, prescription drug misuse and abuse, alcohol misuse and abuse, and underage alcohol and tobacco use
 - Promoting effective substance abuse prevention practices that enable states, communities, and other organizations to apply prevention knowledge effectively”
- [International Certification and Reciprocity Consortium, Inc. \(IC&RC\)](#) “IC&RC is the global leader in the credentialing of prevention, addiction treatment, and recovery professionals. Organized in 1981, it provides standards and examinations to certification and licensing boards in 25 countries, 47 states and territories, five Native American regions, and all branches of the U.S. military.”
- [Just Say No International](#) “fosters and develops four attributes consistently found in resilient children: social competence, problem-solving skills, autonomy, and a sense of purpose.”

- [National Institute on Alcohol Abuse and Alcoholism](#) “NIAAA supports and conducts research on the impact of alcohol use on human health and well-being. It is the largest funder of alcohol research in the world.”
- [National Institute on Drug Abuse](#) “NIDA’s mission is to lead the Nation in bringing the power of science to bear on drug abuse and addiction.”
- [National Inhalant Prevention Coalition \(NIPC\)](#) “Synergies, a non-profit corporation based in Austin, Texas, founded the National Inhalant Prevention Coalition (NIPC) in 1992. The NIPC grew from a state-wide prevention project in Texas called the Texas Prevention Partnership which began in 1990. NIPC is a public-private effort to promote awareness and recognition of the under publicized problem of inhalant use. NIPC is funded in part by the Robert Wood Johnson Foundation and is led by Synergies, a non-profit corporation founded by Harvey J. Weiss.”
- [National Organization of Fetal Alcohol Syndrome](#) “NOFAS is a 501 (c)(3) nonprofit organization founded in 1990 dedicated to eliminating birth defects caused by alcohol consumption during pregnancy and improving the quality of life for those individuals and families affected. NOFAS is the only national organization focusing solely on FAS, the leading known cause of mental retardation.”
- [Office of National Drug Control Policy \(ONDCP\)](#) “The Obama Administration is committed to restoring balance to U.S. drug-control efforts by coordinating an unprecedented government-wide public health and public safety approach to reduce drug use and its consequences. Led by the Office of National Drug Control Policy (ONDCP), this effort includes a renewed emphasis on community-based prevention programs, early intervention programs in healthcare settings, aligning criminal justice policies and public health systems to divert non-violent drug offenders into treatment instead of jail, funding scientific research on drug use, and, through the Affordable Care Act, expanding access to substance abuse treatment.”
- [Partnership for Drug-Free Kids](#) “The Partnership for Drug-Free Kids translates the science of teen drug use and addiction for families, providing parents with direct support to prevent and cope with teen drug and alcohol abuse.”
- [Prevention First](#) “believes that health and well-being are basic human rights. Through the highest quality training, consultation, information services and advocacy, we will promote health and wellness among individuals, organizations and communities.”
- [Substance Abuse and Mental Health Services Administration \(SAMHSA\)](#) “SAMHSA is the lead federal agency on substance abuse treatment and prevention. Includes the Centers for Substance Abuse Treatment (CSAT), Prevention (CSAP), and Mental Health Services (CMHS).”
- [Underage Drinking Enforcement Training Center](#) “OJJDP established the Underage Drinking Enforcement Training Center (UDETC) in 1999 to support its Enforcing Underage Drinking Laws program. The UDETC provides a variety of science-based, practical, effective training and technical assistance services to support, enhance, and build leadership capacity and increase state and local community effectiveness in their efforts to enforce underage drinking laws, prevent underage drinking, and eliminate the devastating consequences associated with alcohol use by underage youth.”
- [U.S Department of Labor, Working Partners for an Alcohol and Drug-Free Workplace](#) Working Partners provides businesses and communities with tools and information to effectively address drug and alcohol problems. More specifically, the initiative raises awareness about the impact drugs and alcohol have on the workplace and helps employers and employees work together to ensure their workplaces are free of the hazards of alcohol and drug abuse
