

Resources: Partnering with Youth to Develop and Foster a Sustainable Support System

Strategies for developing and maintaining support systems:

Archeological Digging:

Focal Point, Winter 2006: Entire issue focuses on Strengthening Social Supports for youth

Link: <http://www.pathwaysrtc.pdx.edu/focalpointW06>

Developing Lifebooks: A picture/written journal/scrapbook of the young person's history from family of origin, places they've lived, activities they've been involved in and so on. Helps the youth to tell their own story in their own way and be creative about it.

A few sites with resources and information:

Child Welfare Information Gateway:

<https://www.childwelfare.gov/adoption/postplacement/lifebooks.cfm>

Beth O'Malley's Lifebooks: <http://www.adoptionlifebooks.com/index.htm>

Wraparound Services:

Technical Assistance Partnership for Child and Family Mental Health – has resources ranging from PowerPoint documents, articles, initiatives, guides:
